"I never believed in things that I couldn't see, I said if I can't feel it, then how would it be, no no magic could happen to me? ... you can do magic, you can have anything that you desire." You Can Do Magic, America

Ascension Handbook:

I recommend starting your learning process at the beginning. The information is organized in a way that maximizes your comprehension levels for the ascension phenomenon. Having said that, I wanted to make it easy for those that want to jump around the content to do exactly that.

The Earth is ascending with or without us. Learn what that means.
